Meet our team

We are a crazy bunch who scribble on bean bags, munch samosas, play poker and leg cricket on weekends and work hard for our clients. There is no special chair for the Boss and every designer here knows programming. We like being unconventional and innovative

Manas Usharia
CTO

Shantanu Gaur
Strategy & Business Devloper

Nitnin Singh Solanky
Lead Back End Engineer

Dimple Gangwani
Lead Front End Developer

S. Altmesh Khan
Lead Designer
